AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER (this "Agreement") is made as of December 10, 2021, by and between SolAero Holdings, Inc., a Delaware corporation (the "Company"), Fortis Advisors LLC, a Delaware limited liability company, solely in its capacity as Stockholder Representative hereunder (the "Stockholder Representative"), Supernova Acquisition Corp., a Delaware corporation ("Merger Sub") and Rocket Lab USA, Inc, a Delaware corporation (the "Purchaser").

WHEREAS, the respective boards of directors of each of Purchaser, Merger Sub and the Company have duly approved and adopted this Agreement and the proposed merger (the "Merger") of Merger Sub with and into the Company in accordance with, and subject to, the terms and conditions of this Agreement and the Delaware General Corporation Law (the "DGCL"), whereby, among other things, all the issued and outstanding shares of common stock, par value \$0.01 per share (the "Stock") of the Company will be converted into the right to receive cash in the manner set forth in Article II of this Agreement.

WHEREAS, prior to delivery of this Agreement, and as a condition and inducement for Purchaser's willingness to enter into this Agreement, each of the Persons listed on Exhibit I attached hereto (each, a "Key Employee") has executed and delivered to Purchaser a Proprietary Information, Non-Competition and Non-Solicitation Agreement (each, a "Non-Competition and Non-Solicitation Agreement") in each case, to become effective upon the Closing.

WHEREAS, prior to delivery of this Agreement, and as a condition and inducement for Purchaser's willingness to enter into this Agreement, each of the Key Employees of the Company listed on Exhibit I attached hereto has executed and delivered to Purchaser an employment or consulting agreement with the Company, Purchaser or one of its Subsidiaries (as determined by Purchaser in its sole discretion), in each case, to become effective upon the Closing (the "Key Employee Agreements").

WHEREAS, prior to delivery of this Agreement, and as a condition and inducement for Purchaser's willingness to enter into this Agreement, certain stockholders of the Company have executed and delivered a Stockholder Support Agreement in the form attached hereto as Exhibit J (each, a "Stockholder Support Agreement").

NOW, THEREFORE, in consideration of the premises, representations, warranties and agreements contained herein and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I DEFINITIONS

1.1. Definitions. Unless otherwise defined in this Agreement, all capitalized terms used in this Agreement have the meanings given to them on Exhibit A.

ARTICLE II MERGER

2.1. The Merger. In accordance with, and subject to, the provisions of this Agreement and the DGCL, Merger Sub shall be merged with and into the Company, which, at and after the Effective Time, shall be and is hereinafter sometimes referred to as the "Surviving Corporation." Merger Sub and the Company are hereinafter sometimes collectively referred to as the "Constituent Corporations."

2.2. Effective Time of the Merger. The Merger shall become effective upon the filing by the parties of the Certificate of Merger with the Secretary of State of the State of Delaware. The Certificate of Merger shall be executed and delivered in the manner provided under the DGCL. The time on the Closing Date that the Merger shall become effective in the State of Delaware is referred to herein as the “Effective Time.”

2.3. Effect of the Merger. Except as specifically set forth herein or in the Certificate of Merger, at the Effective Time, the identity, existence, corporate organization, purposes, powers, objects, franchises, privileges, rights, immunities, restrictions, assets, debts, liabilities and duties (collectively, the “Corporate Rights”) of the Company shall continue in effect and be unimpaired by the Merger, and the Corporate Rights of Merger Sub shall be merged with and into the Company, which shall, as the Surviving Corporation, be fully vested in accordance with Sections 259 and 261 of the DGCL. At the Effective Time, the separate existence and corporate organization of Merger Sub shall cease, and Merger Sub shall be merged with and into the Surviving Corporation.

2.4. Charter, By-Laws, Officers and Directors of Surviving Corporation. From and after the Effective Time (a) the certificate of incorporation of the Company shall be amended and restated in its entirety to read as set forth in Exhibit B hereto and, as so amended, such certificate of incorporation shall be the certificate of incorporation of the Surviving Corporation until altered, amended or repealed as provided in the DGCL; (b) the By-laws of Merger Sub prior to the Effective Time shall become the By-laws of the Surviving Corporation, unless and until altered, amended or repealed as provided in the DGCL, the Surviving Corporation’s certificate of incorporation or such By-laws; and (c) the officers and directors of Merger Sub prior to the Effective Time shall become the officers and directors of the Surviving Corporation, unless and until removed or until their respective terms of office shall have expired in accordance with the DGCL or the Surviving Corporation’s certificate of incorporation or By-laws, as applicable.

2.5. Authorization of the Merger, this Agreement and the Certificate of Merger. Promptly following the execution and delivery of this Agreement, Stockholders holding a majority of the Stock shall execute a written consent in lieu of a meeting, and the Purchaser, as the sole stockholder of Merger Sub, shall execute a written consent in lieu of a meeting. Each of such consents shall include resolutions approving and adopting the Merger, this Agreement and the consummation of the Transactions, in each case as required by the DGCL. The Company, Merger Sub and the Purchaser shall each take, as promptly as practicable, all such other actions as may be necessary or advisable under the DGCL and any other applicable law in connection with this Agreement, the Merger or the Certificate of Merger.

2.6. Stockholder Representative.

(a) Pursuant to each Letter of Transmittal delivered by such Stockholder and by such Stockholder’s approval of the Merger and by virtue of applicable documentation to be delivered by each Company Optionholder, and without any further action of any of the Stockholders, the Company Optionholders or the Company, each Stockholder and Company Optionholder shall and hereby does appoint Fortis Advisors LLC, a Delaware limited liability company, as the Stockholder Representative and as the true and lawful attorney-in-fact and exclusive agent under this Agreement and the Escrow Agreement, and each further shall and hereby does authorize, approve and ratify, and shall be deemed to have authorized, approved and ratified the Stockholder Representative’s rights, obligations, powers and authority hereunder. The Stockholder Representative’s power and authority shall include the power and authority:

- (i) to act for the Stockholders with regard to matters pertaining to the determination of the Final Closing Merger Consideration;

(ii) to give and receive notices and communications on behalf of the Stockholders hereunder, including with the Paying Agent, the Purchaser and the Surviving Corporation;

(iii) to act on behalf of the Stockholders and the Company Optionholders for the Paying Agent to receive funds and give receipt for funds on behalf of the Stockholders and the Company Optionholders, including the Estimated Aggregate Closing Merger Consideration and Upward Adjustment, if any;

(iv) to receive service of process as the Stockholder Representative in connection with any claims under this Agreement;

(v) to hold, deposit or invest and reinvest the Stockholder Representative Fund and pay or cause to be paid therefrom any amounts on behalf of the Stockholders that may become due pursuant to Section 2.10(d) or otherwise pursuant to this Agreement;

(vi) to withdraw from the Stockholder Representative Fund or withhold from any cash payment or distribution to the Stockholders on and after the date hereof, the amount of any reasonable cost or expense incurred directly or indirectly by the Stockholder Representative in connection with its obligations hereunder or relating to the transactions contemplated hereby;

(vii) to distribute to the Paying Agent for further distribution to the Stockholders or the Company Optionholders, as applicable, in proportion to their respective Pro Rata Shares and in accordance with the Payment Procedures, any amount of the Stockholder Representative Fund that the Stockholder Representative may from time to time determine in its sole discretion is properly distributable to the Stockholders or the Company Optionholders;

(viii) to enforce payment and distribution of any amount payable to the Stockholders or Company Optionholders, as applicable;

(ix) to agree, negotiate and enter into settlements and compromises of, and comply with orders of courts with respect to, claims under this Agreement;

(x) to represent or certify the power and authority of the Stockholder Representative to act on behalf of any or all Stockholders;

(xi) to take any action on behalf of the Stockholders as may be approved by such Stockholder and the Stockholder Representative in a separate agreement;

(xii) to execute and deliver all ancillary agreements, certificates and documents that the Stockholder Representative deems necessary or appropriate in connection with the consummation of the Transactions; and

(xiii) to do or refrain from doing any further act or deed on behalf of the Stockholders and the Company Optionholders that the Stockholder Representative deems necessary or appropriate in its sole discretion relating to the subject matter of this Agreement or the Escrow Agreement as fully and completely as the Stockholders and Company Optionholders could do if personally present. Notwithstanding the foregoing, the Stockholder Representative shall have no obligation to act on behalf of the Stockholders or the Company Optionholders, except as expressly provided herein, in the Escrow Agreement and in the Stockholder Representative Engagement Agreement, and for purposes of clarity, there are no obligations of the Stockholder Representative in any ancillary agreement, schedule, exhibit or the Disclosure Schedules. The Stockholder Representative shall be entitled to: (i) rely upon the Closing Payment Schedule, (ii) rely upon any signature believed by it to be genuine, and (iii) reasonably assume that a signatory has proper authorization to sign on behalf of the applicable Stockholder, Company Optionholder or other party.

(b) The Purchaser and the Surviving Corporation shall be entitled to (i) rely on the full power and authority of the Stockholder Representative to act hereunder on behalf of the Stockholders, (ii) deal exclusively with the Stockholder Representative on all matters relating to this Agreement (with respect to matters regarding the Stockholders), (iii) rely, without independent investigation or verification, upon all decisions, communications or writings made, given or executed by the Stockholder Representative (with respect to matters regarding the Stockholders) and actions taken or omitted to be taken by the Stockholder Representative pursuant to this Agreement any Ancillary Document, all of which actions or omissions shall be legally binding upon the Stockholders, and (iv) disregard any decisions or communications or writing made, given or executed by any Stockholder in connection with this Agreement or any Ancillary Document unless the same is made, given or executed by the Stockholder Representative. The Purchaser and the Surviving Corporation shall not be liable to any Stockholder for any action the Purchaser or the Surviving Corporation takes or omits to take in reliance upon such power and authority.

(c) The Stockholder Representative shall not be entitled to any fee, commission or other compensation for the performance of its services other than in accordance with the Stockholder Representative Engagement Agreement, and it shall be entitled to the payment of all its costs and expenses incurred as the Stockholder Representative as more fully described below. In connection with the foregoing, the Stockholder Representative Fund shall be funded with the Stockholder Representative Amount at the Closing pursuant to Section 2.9(d), which Stockholder Representative Fund shall be used by the Stockholder Representative to pay directly or reimburse the costs and expenses incurred by the Stockholder Representative in its capacity as the Stockholder Representative or as otherwise determined by the Advisory Group. The Stockholder Representative is not providing any investment supervision, recommendations or advice and shall have no responsibility or liability for any loss of principal of the Stockholder Representative Fund other than as a result of its gross negligence or willful misconduct. The Stockholder Representative is not acting as a withholding agent or in any similar capacity in connection with the Stockholder Representative Fund and has no tax reporting or income distribution obligations. The Stockholders and the Company Optionholders will not receive any interest on the Stockholder Representative Fund and assign to the Stockholder Representative any such interest. Subject to Advisory Group approval, the Stockholder Representative may contribute funds to the Stockholder Representative Fund from any consideration otherwise distributable to the Stockholders or the Company Optionholders. To the extent that the Stockholder Representative Fund is at any time insufficient (as determined by the Stockholder Representative in its sole discretion) to cover all of the costs and expenses incurred by the Stockholder Representative in its capacity as the Stockholder Representative, then the Stockholder Representative may, at its option, (i) receive from the Paying Agent and/or retain such amount of the proceeds received by the Stockholder Representative on behalf of the Stockholders or the Company Optionholders after the Closing Date under any term or provision of this Agreement or other amounts otherwise payable to the Stockholders or the Company Optionholders, as determined by the Stockholder Representative in its sole discretion for purposes of reimbursement of such costs and expenses; or (ii) seek reimbursement of such costs and expenses directly from the Stockholders and the Company Optionholders. Once the Stockholder Representative determines, in its sole discretion, that the Stockholder Representative will not incur any additional expenses in its capacity as the Stockholder Representative and the Stockholder Representative Fund is no longer required to be withheld, then the Stockholder Representative will distribute the remaining unused Stockholder Representative Fund (if any) to the Paying Agent for further distribution pro rata to the Stockholders and the Company Optionholders based upon each such Stockholder's and Company Optionholder's Pro Rata Share.

(d) Certain Stockholders have entered into an engagement agreement (the “Stockholder Representative Engagement Agreement”) with the Stockholder Representative to provide direction to the Stockholder Representative in connection with its services under this Agreement, the Escrow Agreement and the Stockholder Representative Engagement Agreement (such Stockholders, including their individual representatives, collectively hereinafter referred to as the “Advisory Group”). In dealing with this Agreement or otherwise in connection with the acceptance or administration of the Stockholder Representative’s responsibilities hereunder, under the Escrow Agreement or under the Stockholder Representative Engagement Agreement, and any instruments, agreements or documents relating thereto, and in exercising or failing to exercise any or all of the powers conferred upon the Stockholder Representative hereunder or under the Escrow Agreement, (i) neither the Stockholder Representative nor its members, managers, directors, officers, contractors, agents and employees nor any member of the Advisory Group (collectively, the “Stockholder Representative Group”) shall have any liability whatsoever to any Stockholder or Company Optionholder (A) by reason of any error in judgment or other act or omission performed or omitted hereunder or thereunder or (B) in connection with this Agreement or any such other instrument, agreement or document, except in the case of and only to the extent any such action or omission constitutes the Stockholder Representative’s gross negligence or willful misconduct, and (ii) the Stockholder Representative shall be entitled to rely on the advice of counsel, public accountants or other independent experts experienced in the matter at issue, and any error in judgment or other act or omission of the Stockholder Representative (which is not the result of willful misconduct) whether or not pursuant to such advice shall in no event subject the Stockholder Representative Group to liability to the Stockholders, the Company Optionholders or any of them. The Stockholder Representative may resign at any time, and may be removed or replaced by the Advisory Group. All of the indemnities, immunities and powers granted to the Stockholder Representative Group under this Agreement (x) shall survive the resignation or removal of the Stockholder Representative or any member of the Advisory Group and the Closing and/or any termination of this Agreement and the Escrow Agreement, (y) are coupled with an interest and shall be irrevocable and survive the death, incompetence, bankruptcy or liquidation of any Stockholder or Company Optionholder and shall be binding on any successor thereto, and (z) shall survive the delivery of an assignment by any Stockholder or Company Optionholder of the whole or any fraction of his, her or its interest in the Escrow Fund. All actions taken by the Stockholder Representative under this Agreement, the Escrow Agreement or the Stockholder Representative Engagement Agreement shall be binding upon each Stockholder and Company Optionholder and each such Stockholder’s and Company Optionholder’s successors as if expressly confirmed and ratified in writing by such Stockholder or Company Optionholder, and all defenses which may be available to any Stockholder or Company Optionholder to contest, negate or disaffirm the action of the Stockholder Representative taken in good faith under this Agreement, the Escrow Agreement or the Stockholder Representative Engagement Agreement are waived.

(e) The Stockholders and the Company Optionholders, severally and not jointly, in proportion to their Pro Rata Shares, shall (i) indemnify, defend and hold harmless the Stockholder Representative Group from and against all losses, claims, damages, liabilities, fees, costs, expenses (including fees, disbursements and costs of counsel and other skilled professionals and in connection with seeking recovery from insurers), judgments, fines or amounts paid in settlement (collectively, the “Stockholder Representative Expenses”) incurred by the Stockholder Representative arising out of or in connection with its acceptance or performance of its duties and obligations as Stockholder Representative hereunder, under the Escrow Agreement or under the Stockholder Representative Engagement Agreement, provided that, in the event that any such indemnified Stockholder Representative Expense is finally adjudicated by a court of competent jurisdiction to have arisen primarily out of the Stockholder Representative’s gross negligence or willful misconduct, the Stockholder Representative will reimburse the Stockholders the amount of such indemnified Stockholder Representative Expense attributable to such bad faith or willful misconduct and (ii) advance any out-of-pocket expenses incurred by the Stockholder Representative arising out of the performance of its duties and obligations hereunder, in each case in

accordance with this Section 2.6(e); *provided, however*, that the Stockholder Representative shall repay any advanced amounts attributable to the Stockholder Representative's gross negligence or willful misconduct upon the entry of final non-appealable judgment by a court of competent jurisdiction that, in connection with the matter as to which such amounts were advanced, the Stockholder Representative acted with gross negligence or willful misconduct. Any amounts owed in respect of the indemnification obligations set forth in this paragraph and any amounts owed in respect of the obligation to advance expenses described in the following paragraph may be advanced by the Stockholder Representative to itself in accordance with the following paragraph. The Stockholders and the Company Optionholders acknowledge that the Stockholder Representative shall not be required to expend or risk its own funds or otherwise incur any financial liability in the exercise or performance of any of its powers, rights, duties or privileges or pursuant to this Agreement, the Escrow Agreement, the Stockholder Representative Engagement Agreement or the transactions contemplated hereby or thereby. Furthermore, the Stockholder Representative shall not be required to take any action unless the Stockholder Representative has been provided with funds, security or indemnities which, in its determination, are sufficient to protect the Stockholder Representative against the costs, expenses and liabilities which may be incurred by the Stockholder Representative in performing such actions.

(f) Any indemnification of the Stockholder Representative by the Stockholders and the Company Optionholders under this Agreement and any expenses incurred by the Stockholder Representative which are advanced or incurred under this Agreement shall be first paid out of the Stockholder Representative Fund, then from amounts received by the Stockholder Representative or Paying Agent for the benefit of the Stockholders and the Company Optionholders before making any disbursements of such amounts to the Stockholders and the Company Optionholders or from amounts otherwise payable to the Stockholders or the Company Optionholders, and then directly from the Stockholders and the Company Optionholders. In connection with the performance of its obligations hereunder, under the Escrow Agreement or under the Stockholder Representative Engagement Agreement, the Stockholder Representative shall have the right at any time and from time to time to select and engage, attorneys, accountants, investment bankers, advisors, consultants and obtain such other professional and expert assistance (in all cases as reasonably necessary), and maintain such records, as reasonably necessary or desirable and incur other reasonable out-of-pocket expenses. All such fees and expenses shall constitute expenses incurred by the Stockholder Representative in its capacity as such on behalf of the Stockholders and the Company Optionholders and shall be advanced, paid and repaid, as applicable, by the Stockholders and the Company Optionholders in accordance with this paragraph, the preceding paragraph and otherwise in accordance with this Agreement.

2.7. Effect on Capital Stock. The manner and basis of converting, exchanging or canceling the stock of the Constituent Corporations into or for cash (or the contingent right to receive cash of the Surviving Corporation) shall be as follows:

(a) each share of common stock, par value \$0.01 per share, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into one share of common stock, par value \$0.01 per share, of the Surviving Corporation ("Surviving Corporation Common Stock");

(b) each share of Stock issued and outstanding immediately prior to the Effective Time and held as treasury stock shall, by virtue of the Merger and without any action on the part of the holder thereof, be canceled and no consideration shall be delivered in exchange therefor;

(c) each Merger Share (other than as provided in Section 2.7(b) and Dissenting Shares) shall, by virtue of the Merger and without any action on the part of the holder thereof, cease to be outstanding and be converted into the right for such holder to receive an amount equal to the Per Share Merger Consideration, together with the applicable amounts, if any, distributable with respect thereto after the Effective Time from the Stockholder Representative Fund; and

(d) each authorized but unissued share of Stock immediately prior to the Effective Time shall be canceled.

2.8. Calculation of the Aggregate Closing Merger Consideration. For purposes of this Agreement: “Aggregate Closing Merger Consideration” shall mean an amount, subject to adjustment pursuant to Section 2.10 hereof, equal to:

(a) Eighty Million Dollars (\$80,000,000.00);

(b) plus the aggregate amount of Cash Equivalents at Closing;

(c) plus the amount by which the Closing Working Capital exceeds the Target Working Capital or minus the amount by which the Target Working Capital exceeds the Closing Working Capital;

(d) minus the aggregate amount of Indebtedness at Closing; and

(e) minus the aggregate amount of Transaction Expenses.

(f) No less than three Business Days prior to the Closing Date, the Company shall deliver to Purchaser and the Paying Agent a spreadsheet (the “Closing Payment Schedule”) duly certified by an officer of the Company, provided that such Closing Payment Schedule may be amended by the Company at any time prior to the Closing with the Purchaser’s written consent, accurately setting forth:

(i) each Stock certificate or book-entry evidencing shares of Stock, the name and address (including email addresses) of each holder of Stock, the respective certificate numbers or book-entry designation, and with respect to each such certificate or designation representing shares of Stock, the number of shares of Stock evidenced by such Stock certificate or book-entry immediately prior to the Effective Time and the portion of the Aggregate Closing Merger Consideration allocable thereto,

(ii) the name and address (including email addresses) in the Company’s records of each Company Optionholder immediately prior to the Effective Time, (A) a designation, with respect to each Company Optionholder, as to whether such holder is an employee Company Optionholder or a non-employee Company Optionholder, (B) the number of “in-the-money” Company Options and “out-of-the-money” Company Options held by such holder immediately prior to the Effective Time, (C) the respective exercise prices of such Company Options, (D) with respect to “in-the-money” Company Options, the Option Closing Payment such holder is entitled to receive, and (E) whether each Company Option was granted as an incentive stock option under Section 422 of the Code.

(iii) a calculation of the Aggregate Closing Merger Consideration (including each component thereof and a breakdown by Person of amounts owed by the Company and wire transfer instructions for each such Person), including (A) the estimated Indebtedness at Closing to be paid in accordance with Section 2.9(b) and (B) the estimated Closing Date Transaction Expenses (including a breakdown by Person of amounts owed by the Company and wire transfer instructions for each such Person), and the Aggregate Closing Merger Consideration per share,

(iv) the Pro Rata Share for each Company Option holder and Stockholder expressed as a percentage,

(v) the portion of the Escrow Amount to be contributed on behalf of each Company Optionholder and each Stockholder in accordance with such holder's Pro Rata Share,

(vi) the portion of the Stockholder Representative Fund to be contributed on behalf of each Company Optionholder and each Stockholder in accordance with such holder's Pro Rata Share, and

(vii) for all securities included in the Closing Payment Schedule, whether such securities are "covered securities" for purposes of cost basis tax reporting under Section 6045A of the Code, and for securities identified as "covered securities," the date of acquisition and cost basis.

2.9. Manner of Payment of the Aggregate Closing Merger Consideration and Other Payments. Not less than three Business Days prior to the Closing Date, the Company shall deliver in writing to Purchaser its good faith estimate of the Aggregate Closing Merger Consideration (the "Estimated Aggregate Closing Merger Consideration"), certified by an officer of the Company, based upon the most recent reasonably ascertainable financial information of the Company (which estimate shall set forth the various components of the Aggregate Closing Merger Consideration as set forth in Section 2.8). At the Closing, Purchaser shall:

(a) deposit an aggregate of Three Million Six Hundred Thousand Dollars (\$3,600,000) (the "Escrow Amount") with Wilmington Trust, National Association, a national banking association, as escrow agent (the "Escrow Agent"), Three Million Two Hundred Thousand Dollars (\$3,200,000) of which shall be deposited in an account designated for the purpose of securing any recovery of the Adjustment Amount by Purchaser under Section 2.10 (such amount, the "Adjustment Escrow Amount") and, Four Hundred Thousand (\$400,000) of which shall be deposited in an account designated for the purpose of securing the Purchaser Indemnified Parties' indemnification rights under Article VII (such amount, the "Indemnity Escrow Amount").

(b) pay, in accordance with the Pay-Off Letters, the Indebtedness identified on Schedule 2.9(b) and any other Indebtedness identified by the Company in the Closing Payment Schedule, by wire transfer of immediately available funds;

(c) pay in full all of the Transaction Expenses by wire transfer of immediately available funds to the account(s) designated by the Company;

(d) pay the Stockholder Representative Amount to the Stockholder Representative by wire transfer of immediately available funds pursuant to instructions furnished by the Stockholder Representative;

(e) pay an amount equal to the aggregate Option Closing Payments in accordance with the Payment Procedures; and

(f) pay an amount equal to the Estimated Aggregate Closing Merger Consideration, minus the Escrow Amount, minus the Stockholder Representative Amount, minus the aggregate Option Closing Payments, to the Paying Agent by wire transfer of immediately available funds pursuant to instructions furnished by the Stockholder Representative.

2.10. Aggregate Closing Merger Consideration Adjustments.

(a) As promptly as possible, but in any event within ninety (90) days after the Closing Date, Purchaser shall cause to be prepared and delivered to Stockholder Representative a statement (the “Closing Statement,” and the date on which the Closing Statement is delivered to Stockholder Representative, the “Delivery Date”) setting forth Purchaser’s calculation of the amount of: (i) Cash Equivalents, Indebtedness, and Closing Working Capital, (ii) Transaction Expenses, (iii) the Aggregate Closing Merger Consideration derived therefrom and (iv) the adjustment necessary to reconcile the Estimated Aggregate Closing Merger Consideration to the Aggregate Closing Merger Consideration. The Closing Statement shall be prepared in a manner consistent with the Agreed Accounting Principles and in accordance with the definitions set forth in this Agreement. In preparing the Closing Statement: (y) any and all effects on the assets or liabilities of the Company of any distributions, financing or refinancing arrangements entered into by Purchaser or the Company on or after the Closing Date or any other transaction entered into by Purchaser, the Company or the Surviving Corporation on or after the Closing Date in connection with the consummation of the transactions contemplated by this Agreement shall be entirely disregarded; and (z) there shall not be taken into account any of the plans, transactions or changes that Purchaser intends to initiate or make or cause to be initiated or made on or after the Closing Date with respect to the Surviving Corporation or its businesses or assets, or any facts or circumstances that are unique or particular to Purchaser or any assets or liabilities of Purchaser, or any obligation for the payment of the Aggregate Closing Merger Consideration hereunder.

(b) Purchaser shall, and shall cause the Surviving Corporation to, provide Stockholder Representative (and its representatives) upon advance notice with reasonable access during normal business hours to the books, records, supporting data, and workpapers of the Surviving Corporation for purposes of Stockholder Representative’s review of the Disputed Items, to the employees of Purchaser who are knowledgeable about the preparation of the Closing Statement, and reasonably cooperate with Stockholder Representative (and its representatives) solely with respect to their review of the Closing Statement and the calculations therein.

(c) Stockholder Representative shall have forty-five (45) days following the Delivery Date (the “Dispute Period”) to review the Closing Statement. If Stockholder Representative has any objections to the Closing Statement, Stockholder Representative shall deliver to Purchaser a statement setting forth its objections thereto (a “Dispute Notice”), which shall identify in reasonable detail those items and amounts to which Stockholder Representative objects (the “Disputed Items”). If a Dispute Notice is not delivered to Purchaser during the Dispute Period or if Stockholder Representative earlier delivers a written notice to Purchaser of its agreement with the Closing Statement, the Closing Statement as prepared by Purchaser shall be deemed accepted and agreed to by Stockholder Representative and shall be final, binding and non-appealable by the parties hereto. If Stockholder Representative delivers a Dispute Notice to Purchaser, Purchaser and Stockholder Representative shall attempt to resolve the Disputed Items within thirty (30) days after delivery of the Dispute Notice. If Purchaser and Stockholder Representative are unable to resolve any Disputed Items within such thirty (30) day period, Purchaser and Stockholder Representative shall mutually engage and submit such unresolved Disputed Items to, and the same shall be finally resolved in accordance with the provisions of this Agreement by, Ernst & Young or, if such firm is not available or unwilling to accept such engagement, such other independent accounting firm mutually acceptable to Purchaser and Stockholder Representative (the “Independent Accountant”). Purchaser and Stockholder Representative shall use their respective commercially reasonable efforts to cause the Independent Accountant to resolve the Disputed Items as soon as practicable, but in any event within thirty (30) days (or such other period of time as Purchaser and Stockholder Representative shall agree) after engagement by Purchaser and Stockholder Representative, and to set forth in a written statement its final determination of the Closing Statement and the resulting Aggregate Closing Merger Consideration based upon its resolution of such Disputed Items and the items and amounts with respect to the Closing Statement that were not Disputed Items. The Independent Accountant shall review the submissions of Purchaser and Stockholder Representative and base its determination solely on such submissions. In resolving any Disputed Item, the Independent Accountant may not assign a value to any item greater than the greatest value for such item claimed by either party or less than the least value for such item claimed by either party.

The decision of the Independent Accountant shall be deemed final and binding upon the parties and enforceable by a court of competent jurisdiction. Each party shall bear its own costs and expenses in connection with the resolution of such Disputed Items by the Independent Accountant. The fees and expenses of the Independent Accountant shall be allocated between Purchaser and Stockholder Representative (on behalf of the Stockholders) so that the amount of fees and expenses paid by Stockholder Representative on behalf of the Stockholders (with the remainder of such amount being paid by Purchaser) shall be equal to the product of (x) and (y), where (x) is the aggregate amount of such fees and expenses, and where (y) is a fraction, the numerator of which is the amount in dispute that is ultimately unsuccessfully disputed by Stockholder Representative (as determined by the Independent Accountant) and the denominator of which is the total value in dispute. The Purchaser and the Stockholder Representative may enforce the final determination of the Independent Accountant in any court of competent jurisdiction.

(d) If the Aggregate Closing Merger Consideration, based upon the final determination pursuant to Section 2.10(a) and Section 2.10(c) (the “Final Closing Merger Consideration”), exceeds the Estimated Aggregate Closing Merger Consideration such excess, the “Upward Adjustment Amount”), then promptly (but in any event within five (5) Business Days after the determination of the Final Closing Merger Consideration): (i) Purchaser shall cause an amount equal to the Upward Adjustment Amount to be paid to the Stockholders and the Company Optionholders in accordance with the Payment Procedures, and (ii) Purchaser and Stockholder Representative shall jointly instruct the Escrow Agent to pay in accordance with the Payment Procedures an amount equal to the balance of the Adjustment Escrow Amount (plus all earnings thereon).

(e) If the Estimated Aggregate Closing Merger Consideration exceeds the Final Closing Merger Consideration (such excess, the “Downward Adjustment Amount”; *provided* that the Downward Adjustment Amount shall not exceed the Adjustment Escrow Amount plus all earnings thereon), then promptly (but in any event within five (5) Business Days after the determination of the Final Closing Merger Consideration), Purchaser and Stockholder Representative shall jointly instruct the Escrow Agent to pay to Purchaser the Downward Adjustment Amount from the Adjustment Escrow Account, with the Downward Adjustment Amount to be deducted from the Adjustment Escrow Amount. If the Downward Adjustment Amount does not exceed the Adjustment Escrow Amount, Purchaser and Stockholder Representative shall promptly (but in any event within five (5) Business Days after the determination of the Final Closing Merger Consideration) jointly instruct the Escrow Agent to pay the balance of the Adjustment Escrow Amount (plus all earnings thereon) to the Stockholders and the Company Optionholders in accordance with the Payment Procedures.

2.11. Time and Place of Closing. The closing of the transactions contemplated by this Agreement (the “Closing”) shall take place remotely through the electronic exchange and delivery of closing documents in Portable Document Format on the date that is no later than the second Business Day immediately following satisfaction of the conditions to the Closing set forth in Article VI (other than those conditions that by their nature are to be satisfied at the Closing) or such other date as Purchaser and Stockholder Representative may mutually agree, provided, however, Closing shall not occur prior to January 3, 2022, unless the Purchaser and Stockholder Representative mutually agree. The date on which the Closing occurs in accordance with this Section is referred to in this Agreement as the “Closing Date.” The Closing will be deemed to occur at the close of business on the Closing Date.

2.12. Escrow.

(a) On the Closing Date, Purchaser shall pay the Escrow Agent any upfront administration fee of the Escrow Agent, if any, and shall deliver to the Escrow Agent, as a contribution to the Escrow Fund, cash in an amount equal to the Escrow Amount, of which the Adjustment Escrow Amount shall be deposited in an account designated for the purpose of securing any recovery of the Adjustment Amount by Purchaser under Section 2.10 and, of which the Indemnity Escrow Amount shall be deposited in a separate account designated for the purpose of securing the Purchaser Indemnified Parties' indemnification rights under Article VII. The Escrow Fund shall be held by the Escrow Agent in accordance with the terms of this Agreement and the terms of the escrow agreement substantially in the form attached hereto as Exhibit C (the "Escrow Agreement"). The Escrow Fund shall be held as a trust fund and shall not be subject to any lien, attachment, trustee process or any other judicial process of any creditor of any Person and shall be held and disbursed solely for the purposes and in accordance with the terms of this Agreement and the terms of the Escrow Agreement.

(b) Within five (5) Business Days after the date that is 12 months after the Closing Date (the "Indemnity Escrow Release Date"), Purchaser and the Stockholder Representative shall provide a joint written instruction to the Escrow Agent to cause the remaining balance of the Indemnity Escrow Fund (less an amount equal to then outstanding indemnification claims) to be released or paid to the Stockholders and the Company Optionholders in accordance with the Payment Procedures.

(c) Any portion of the Adjustment Escrow Fund that is not subject to a then outstanding determination by the Independent Accountant, including, for the avoidance of doubt, any remaining portion of the Adjustment Escrow Amount after Purchaser's recovery of any Adjustment Amount as finally determined in accordance with this Agreement, shall be released to the Stockholders and Company Optionholders in accordance with Section 2.10.

(d) Purchaser shall be treated as the owner of the Escrow Amount for Tax purposes, and any income, gains, losses and expenses of the Escrow Amount shall be included by Purchaser as taxable income or loss of Purchaser. Any income and gains of the Escrow Amount shall be available to Purchaser as part of the Escrow Amount, but if not paid to Purchaser in connection with a Downward Adjustment Amount or an indemnification claim, shall ultimately be distributable to the Stockholders and Company Optionholders in accordance with this Agreement and the Escrow Agreement.

(e) The approval of this Agreement by the Stockholders, and the acceptance by a Stockholder on the Closing Date of its applicable portion of the Aggregate Closing Merger Consideration, shall constitute approval of the Escrow Agreement and of all of the arrangements relating thereto, including the placement of the Escrow Amount with the Escrow Agent in accordance with the terms hereof and thereof.

(f) Each Stockholder and Company Optionholder will be deemed to have contributed to each of the Escrow Funds and the Stockholder Representative Fund based upon such holder's Pro Rata Share.

2.13. Delivery of Closing Merger Consideration; Surrender of Certificates.

(a) After the Effective Time, upon surrender by each Stockholder to the Paying Agent, as exchange agent, of the certificate(s) which immediately prior to the Effective Time represented Merger Shares, together with a duly completed and executed letter of transmittal in substantially the form of Exhibit D (each, a "Letter of Transmittal"), such Stockholder shall be entitled to receive in exchange therefor the cash which such Stockholder is entitled to receive pursuant to Section 2.7(c) above. On the Closing Date, the Purchaser shall by wire transfer of immediately available funds (i) pay the Estimated Aggregate Closing Merger Consideration on behalf of the Surviving Corporation to an account with the Paying Agent designated for such purpose, and (ii) pay the Stockholder Representative Amount to an account designated by the Stockholder Representative. The Paying Agent, as exchange agent, shall pay to each Stockholder that has returned a duly completed and executed Letter of Transmittal, out of the Estimated Aggregate Closing Merger Consideration, the amount of cash to which such Stockholder is entitled pursuant to Section 2.7(c) and this Section 2.13. Until surrendered as contemplated by this Section 2.13, each certificate representing Merger Shares shall be deemed, at and after the Effective Time, to represent only the right to receive upon such surrender cash as contemplated by this Article II and the DGCL.

(b) If any amounts payable in accordance with this Section 2.13 would otherwise escheat to or become the property of any Governmental Authority, any such amounts, to the extent permitted by applicable law, immediately prior to the date on which such amounts would otherwise escheat or become the property of any Governmental Authority, will become the property of the Surviving Corporation, free and clear of all claims or interest of any Person who otherwise may have previously been entitled thereto.

2.14. Lost Certificates. If any certificates representing Stock shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Stockholder claiming such certificate to be lost, stolen or destroyed and, if required by the Paying Agent, as exchange agent, or the Purchaser, the entering into of an indemnity with respect to such certificate, the Paying Agent, as exchange agent, shall deliver in exchange for such lost, stolen or destroyed certificate the consideration payable with respect to such certificate pursuant to this Section 2.14.

2.15. No Further Ownership Rights in Company Common Stock. The consideration paid in respect of the surrender of certificates representing shares of Stock in accordance with the provisions of this Article II shall be deemed to have been paid in full satisfaction of all rights pertaining to such shares of Stock other than the rights provided by this Agreement. At and after the Effective Time, the stock transfer books of the Surviving Corporation shall be closed with respect to the capital stock of the Company, and there shall be no further registration of transfers of the Stock thereafter on the records of the Surviving Corporation. If, after the Effective Time, certificates representing shares of Stock are presented to the Surviving Corporation for any reason, they shall be canceled and exchanged as provided in this Article II.

2.16. Dissenting Shares. Each share of Stock issued and outstanding immediately prior to the Effective Time held by stockholders who shall have properly exercised their right of appraisal with respect thereto in accordance with the DGCL (such rights the “Appraisal Rights,” and such shares the “Dissenting Shares”) shall not be converted into the right to receive the consideration hereunder, but shall be entitled only to such rights with respect to such Dissenting Shares as may be granted to such holder pursuant to Section 262 of the DGCL, as applicable, except that each Dissenting Share held by a stockholder who shall thereafter withdraw his, her or its demand for appraisal, shall fail to perfect or otherwise waive or lose his, her or its Appraisal Rights or shall have been determined by a court of competent jurisdiction not to be entitled to the relief provided under the DGCL shall be deemed to be converted, as of the Effective Time, into the right to receive the consideration hereunder such holder otherwise would have been entitled to receive as a result of the Merger. The Company shall give Purchaser: (i) prompt notice of: (A) any written demand received by the Company prior to the Effective Time to require the Company to purchase shares of Company capital stock pursuant to Section 262 of the DGCL; (B) any withdrawal of any such demand; and (C) any other demand, notice or instrument delivered to the Company prior to the Effective Time pursuant to the DGCL; and (ii) the opportunity to participate in all negotiations and proceedings with respect to any such demand, notice or instrument. Neither the Company nor the Stockholder Representative shall, except with the prior written consent of Purchaser, which shall not be unreasonably withheld, conditioned or delayed, make any payment with respect to any demands for appraisal, offer to settle, or settle or otherwise negotiate any such demands.

2.17. Withholding Taxes.

(a) The Surviving Corporation shall be entitled to deduct and withhold from any consideration that is compensatory in nature and payable or otherwise deliverable pursuant to this Agreement such amounts as may be required to be deducted or withheld therefrom under any provision of federal, local or foreign Tax law or under any applicable legal requirement. To the extent such amounts are so withheld and paid to the applicable Governmental Authority, such withheld amounts shall be treated for all purposes under this Agreement as having been paid to the Person to whom such amounts would otherwise have been paid.

(b) The Purchaser, Merger Sub, the Surviving Corporation and their respective authorized Affiliates shall each be entitled to deduct and withhold from any other amount paid or deliverable in connection with the Transactions such amount as is required to be deducted and withheld under the Code or any provision of applicable law and, at least three (3) Business Days in advance of the date on which any such withholding or deduction is anticipated to occur, the Purchaser shall use commercially reasonable efforts to provide notice to the Stockholder Representative of any required withholding and shall cooperate with the Stockholder Representative to reduce or eliminate any required withholding. To the extent that amounts are deducted and withheld and paid to the applicable Governmental Authority, such deducted and withheld amounts so paid shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made

2.18. Cancellation of Company Options.

(a) Prior to the Closing, the Company shall take or cause to be taken any and all actions reasonably necessary to cause each Company Option outstanding immediately prior to the Closing, whether or not vested or exercisable, to be cancelled and terminated at the Effective Time, by virtue of the Merger and without any action on the part of the holders thereof. Each Company Option, whether or not vested or exercisable, under the Stock Option Plan shall be canceled in exchange for (A) the right to receive a cash payment at Closing (in accordance with Section 2.9(e)), subject to receipt by the Surviving Corporation of a Company Option termination agreement duly executed by the holder of such Company Option substantially in the form attached hereto as Exhibit K (an “Option Termination Agreement”), equal to (x) the excess, if any, of the Per Share Merger Consideration over the Exercise Price per share of such Company Option, *multiplied by* (y) the number of shares of Stock underlying such Company Option (the “Option Closing Payment”); provided, however, that any such Company Option with respect to which the exercise price per Common Share subject thereto is equal to or greater than the Per Share Merger Consideration shall be canceled in exchange for no consideration at Closing, and (B) the right to receive their respective Pro Rata Share of any payment made pursuant to Section 2.9(e), Section 2.10(d) and Section 2.10(e). From and after the Effective Time, no Company Option shall be exercisable, and each Company Option shall only entitle the holder thereof to the payment provided for in this Section 2.18.

(b) The Purchaser shall cause sufficient funds from the Estimated Aggregate Closing Merger Consideration to be available to the Surviving Corporation for payment of all of the Option Closing Payments to each holder of Company Options immediately prior to the Effective Time. Notwithstanding the foregoing, prior to the disbursement of any cash payments pursuant to Section 2.18(a), the Company or an applicable Subsidiary shall be entitled to deduct and withhold from such cash payments any amount required to be deducted and withheld by the Company under the Code, or any provision of applicable state, local or foreign Tax law. To the extent amounts are so withheld by the Company or such Subsidiary and timely paid to the appropriate Governmental Authorities, such amounts withheld shall be treated for all purposes of this Agreement as having been paid to the holder of the Company Options in respect of which such deduction and withholding was made.

ARTICLE III
REPRESENTATIONS AND WARRANTIES OF PURCHASER

Purchaser and Merger Sub, jointly and severally, represent and warrant to the Company as of the date hereof and as of the Closing Date (unless the representation is as of a specified date, in which case it shall be as of such specified date) as follows:

3.2. Consents. No consent, authorization, order or approval of, or filing or registration with, any Governmental Authority is required to be obtained by Purchaser or Merger Sub in connection with the execution, delivery and performance of this Agreement by Purchaser and Merger Sub or the consummation by Purchaser and Merger Sub of the transactions contemplated hereby.

3.3. Absence of Conflicts. Neither the execution and delivery of this Agreement by Purchaser or Merger Sub, nor the consummation by Purchaser or Merger Sub of the transactions contemplated hereby, will conflict with or result in a breach of any of the terms, conditions or provisions of Purchaser's or Merger Sub's certificate of incorporation or bylaws, as applicable, or of any Laws, or of any order, writ, injunction, judgment or decree of any Governmental Authority or of any arbitration award to which Purchaser or Merger Sub is subject. Neither Purchaser nor Merger Sub are a party to any unexpired, undischarged or unsatisfied written or oral contract, agreement, indenture, mortgage, debenture, note or other instrument under the terms of which performance by Purchaser according to the terms of this Agreement will be a default or an event of acceleration, or grounds for termination, or whereby timely performance by Purchaser or Merger Sub according to the terms of this Agreement may be prohibited, prevented or delayed.

3.4. Brokers and Finders. No person is or will become entitled, by reason of any contract or arrangement entered into or made by or on behalf of Purchaser or any of its Affiliates (including Merger Sub), to receive a broker's commission, finder's fee, investment banker's fee or similar payment in connection with the transactions contemplated by this Agreement.

3.5. Solvency. Immediately after giving effect to the transactions contemplated hereby and the incurrence of any indebtedness therewith, the assets of the Surviving Corporation will exceed the liabilities of the Surviving Corporation. In connection with the consummation of the transactions contemplated hereby and the incurrence of any indebtedness in connection therewith, neither Purchaser nor Merger Sub intends that the Surviving Corporation would incur, and do not believe that any the Surviving Corporation will incur, debts that would be beyond the Surviving Corporation's ability to pay as the debts mature. No transfer of property is being made and no obligation is being incurred in connection with the transactions contemplated by this Agreement with the intent to hinder, delay or defraud either present or future creditors of the Surviving Corporation.

3.6. Funding. Purchaser has and will have, from and after the Effective Time, the financial capability and all sufficient funds on hand or existing financing commitments available in order to consummate the transactions contemplated in this Agreement, on the terms contained herein.

3.7. WARN Act. 3.8. Litigation and Claims. There is no charge, complaint, litigation, arbitration, suit, claim, action or proceeding, at law or in equity (each, an “Action”), pending or, to Purchaser’s Knowledge, threatened against Purchaser or any of its officers or directors: (i) with respect to or affecting Purchaser’s ability to perform its obligations hereunder, or (ii) that are reasonably likely to prohibit, restrict or delay the performance of this Agreement by Purchaser.

3.9. Warranty Policies. Purchaser has obtained those buyer’s representations and warranties insurance policies bound and in effect on and as of the date hereof, substantially in the form attached hereto as Exhibit E (the “Warranty Policies”).

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company makes the following representations and warranties to Purchaser as of the date hereof and as of the Closing Date (unless the representation is as of a specified date, in which case it shall be as of such specified date). All representations and warranties of the Company are made subject to the exceptions noted in the corresponding sections of the schedules delivered by the Company to Purchaser concurrently herewith and identified by the parties as the “Disclosure Schedules.”

Section 280G of the Code and the regulations thereunder, or that such requisite stockholder approval has not been obtained with respect to the Waived 280G Benefits, and, consequently, the Waived 280G Benefits have not been and shall not be made or provided. Copies of the proposed final forms of Section 280G waivers and related stockholder voting, consent, and disclosure materials to be used in connection with the foregoing shall be provided to Purchaser at least three (3) Business Days in advance of the scheduled distribution to stockholders or the disqualified individuals for approval or signature, as applicable, for Purchaser's review, comment, and approval.

- (xi) make any loan, advance or capital contribution to or investment in any Person other than any of the Company's subsidiaries in the ordinary course of business and consistent with past practices;
- (xii) incur any Indebtedness (other than borrowings under existing lines of credit, letters of credit or similar arrangements issued for the benefit of suppliers or manufacturers), or guarantee any such Indebtedness;

(xviii) make or change any material election in respect of Taxes, adopt or change any material accounting method in respect of Taxes, settle any material claim or assessment in respect of Taxes, or consent to any extension or waiver of the limitation period applicable to any claim or assessment in respect of Taxes other than pursuant to customary extensions of the due date for the filing of a Company Tax return;

(xix) waive, release, assign, compromise, commence, settle or agree to settle any Action;

The Company Group will immediately cease and cause to be terminated any and all contacts, discussions and negotiations with third parties regarding the foregoing. As used herein, the term "Acquisition Proposal"

means any proposal or offer or indication of interest relating to a possible sale or other disposition (whether by merger, reorganization, recapitalization or otherwise) of all or any part of the equity securities or assets of the Company Group. In addition to the obligations of the Company set forth above, from the date hereof until the earlier of the Closing or the termination of this Agreement, the Company shall promptly (and in all events within two Business Days) advise Purchaser orally and in writing, and decline: (i) any request to the Company for nonpublic information that the Company reasonably believes is likely to lead to an Acquisition Proposal, (ii) any Acquisition Proposal submitted to or communicated to the Company, or (iii) any inquiry directed to the Company with respect to or which the Company reasonably believes is likely to lead to any Acquisition Proposal, and the material terms and conditions of such request or inquiry other than the name of such potential counterparty to the Acquisition Proposal.

5.2. Purchaser's Obligations. The following are Purchaser's obligations prior to Closing:

(a) Confidentiality. Purchaser hereby agrees to comply with the obligations under that certain Mutual Non-Disclosure Agreement, dated June 9, 2021, by and between the Company and Purchaser (the "Confidentiality Agreement"), except that contacts with respect to the Company Group's businesses shall be arranged in accordance with the last sentence of Section 5.1(a). Prior to the Closing, Purchaser shall not contact or otherwise communicate with any of the Company Group's employees, independent contractors, suppliers or customers without the prior written approval of the Company.

(b) Warranty Policies. The Warranty Policies shall remain in full force and effect and the insurers thereunder shall not have made any material amendments or modifications thereto. Purchaser shall use commercially reasonable efforts to cause the Warranty Policies to provide that, in the event of any payment by the insurer in connection with the Warranty Policies, the insurer shall waive any subrogation rights it might have against the Stockholders and their respective Affiliates (except, and only to the extent, with respect to Fraud), and such anti-subrogation provisions contained in the Warranty Policies shall not be amended in any manner adverse to any of the foregoing without the prior written consent of the Stockholders' Representative (such consent not to be unreasonably conditioned, withheld or delayed).

(c) Leased Premises. Purchaser shall execute such documents and furnish such information as may be required by the landlord of each Leased Premises in order to comply with any "deemed assignment" clauses in the lease agreements governing the Company's Leased Premises.

5.3. Joint Obligations. The following shall apply with equal force to the Company and Purchaser prior to Closing:

(a) Consume Transaction. Each of the Company and Purchaser shall use all reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to consummate the transactions contemplated hereby as soon as practicable.

(b) Breach. Neither the Company nor Purchaser shall intentionally perform any act which, if performed, or intentionally omit to perform any act which, if omitted to be performed, would prevent or excuse the performance of this Agreement by any party hereto or which would result in any representation or warranty herein contained of said party to be untrue in any material respect as if originally made on and as of the Closing Date.

(c) Government Approvals. Each of Purchaser and the Company agree to take any reasonable steps necessary to avoid or eliminate each and every impediment under any export control, antitrust, foreign investment, competition or trade regulation Law that may be asserted by any Governmental Authority or any other party so as to enable the parties hereto to expeditiously consummate the transactions contemplated by this Agreement no later than the Termination Date. Neither Purchaser nor

any of its Subsidiaries or Affiliates shall be under any obligation to offer, negotiate, or accept (x) any divestiture, sale, holding separate, license, or other disposition of any assets, businesses, or operations, or (y) the imposition of any conditions, restraints, or other limitations or restrictions of any kind on the operation of any assets or businesses. Each of the Company and Purchaser shall give the other party prompt notice of the commencement or known threat of commencement of any proceeding by or before any Governmental Authority with respect to the Merger or any of the other transactions contemplated by this Agreement, shall keep the other party informed as to the status of any such proceeding or threat, and in connection with any such proceeding, each of the Company or Purchaser will permit authorized representatives of the other party to be present at each meeting or conference relating to any such proceeding and to have access to and be consulted in connection with any document, opinion or proposal made or submitted to any Governmental Authority in connection with any such proceeding; provided that, in each case, such participation or disclosure may be limited to outside counsel only; and provided, further, that materials so disclosed may be redacted reasonably to protect confidential information of either party

5.4. Termination of Company Options and Option Plan. Prior to the Effective Time, the Company shall adopt any resolutions and take any actions that are necessary to (i) effectuate the treatment of the Company Options pursuant to Section 2.18 of this Agreement and (ii) cause the Stock Option Plan to terminate at or prior to the Effective Time. The Company and the Board of Directors of the Company shall take all actions necessary to ensure that from and after the Effective Time neither the Purchaser nor the Surviving Corporation will be required to deliver any shares of capital stock to any Person pursuant to or in settlement of Company Options.

5.5. Termination of Company 401(k) Plan. The Company shall, or shall cause the applicable plan sponsor, at least one day prior to the Closing Date, to (i) cease contributions to, and adopt written resolutions (or take other necessary and appropriate action(s)) to terminate the SolAero Technologies Corp. 401(k) Plan (the "Company 401(k) Plan") in compliance with its terms and the requirements of applicable Law and (ii) one hundred percent (100%) vest all participants under the Company 401(k) Plan, such termination, cessation of contributions and vesting to be effective no later than the day preceding the Closing Date (the "401(k) Termination Date").

**ARTICLE VII
INDEMNIFICATION**

7.1. Indemnification of Purchaser and Surviving Corporation. Subject to the other provisions of this Section 7.1, following the Closing, each Stockholder and Company Optionholder shall severally and not jointly in accordance with its Pro Rata Share indemnify, defend and hold harmless Purchaser, the Surviving Corporation, their Affiliates, and each of their respective officers, directors, employees, agents and other representatives and respective successors and permitted assigns (each a "Purchaser Indemnified Party") in respect of any Damages actually suffered by a Purchaser Indemnified Party resulting from or arising out of:

(a) any inaccuracy in or breach of any representation or warranty made by the Company in this Agreement;

(b) [Reserved];

(c) any claim made by any Stockholder or holder of a Company Option arising from any inaccuracies in the calculations and determinations set forth on the Closing Payment Schedule (including any updated Closing Payment Schedule required to be delivered pursuant to the terms of this Agreement), including the determination and calculation of a Stockholder and holder of a Company Option's Pro Rata Share, in each case, other than as a result of an action taken or a determination made by any Purchaser Indemnified Party that is not in accordance with the Closing Payment Schedule provided by the Stockholder Representative;

(d) any Closing Date Indebtedness or Closing Date Transaction Expenses, in each case only (i) to the extent not taken into account in the calculation of the Aggregate Closing Merger Consideration and Adjustment Amount, and (ii) discovered after the date the Final Closing Merger Consideration is determined; or

(e) all Pre-Closing Taxes.

7.2. Indemnification of Stockholders and Company Optionholders. Subject to the other provisions of this Section 7.2, following the Closing, Purchaser shall indemnify, defend and hold harmless the Stockholders and Company Optionholders in respect of any Damages actually suffered by the Stockholders and Company Optionholders resulting from or arising out of:

(a) any inaccuracy in or breach of any representation or warranty made by Purchaser or Merger Sub in this Agreement; or

(b) any breach by Purchaser or Merger Sub of any covenant or agreement contained in this Agreement.

7.3. Third-Party Claims. In the event any Indemnified Party becomes aware of a third-party claim (including any action or proceeding commenced or threatened to be commenced by any third-party) that such Person reasonably believes may result in an indemnification claim pursuant to Section 7.1 or Section 7.2, as applicable (any such claim, a "Third-Party Claim"), such Indemnified Party shall promptly notify the party against whom indemnity is sought (the "Indemnifying Party") in writing of such Third-Party Claim (such notice, the "Claim Notice"); provided, however, that the failure to so notify the Indemnifying Party (which in the case of the Stockholders and Company Optionholders shall be the Stockholder Representative) will not relieve the Indemnifying Party from liability under this Agreement except to the extent, and only to the extent, that such failure materially prejudices the Indemnifying Party.

The Claim Notice shall be accompanied by copies of any documentation submitted by the third party making such Third-Party Claim and shall describe in reasonable detail (to the extent known by the Indemnified Party) the facts constituting the basis for such Third-Party Claim and the amount (if known) of the claimed Damages. Within 20 Business Days after receipt of any Claim Notice, the Indemnifying Party (which in the case of the Stockholders and the Company Optionholders shall be the Stockholder Representative) may, subject to the limitations set forth in this Section 8, by written notice to the Indemnified Party assume control of the defense of the Third-Party Claim referred to therein at the Indemnifying Party's sole cost and expense (which in the case of the Stockholder Representative shall be on behalf of the Stockholders and Company Optionholders and subject to Section 2.6) with counsel reasonably satisfactory to the Indemnified Party. Notwithstanding the foregoing, the Indemnifying Party shall not be entitled to assume the defense of any Third-Party Claim for equitable or injunctive relief, any Third-Party Claim containing criminal allegations or any claim pertaining to material Intellectual Property and, in such event the Indemnified Party shall have the right to defend any such Third-Party Claim. The Indemnifying Party will have the right to assume control of such defense of the Third-Party Claim only for so long as it conducts such defense with reasonable diligence. If the Indemnifying Party does not so assume control of the defense of such Third-Party Claim, the Indemnified Party shall control the defense of such Third-Party Claim. The party not controlling the defense of such Third-Party Claim (the "Non-Controlling Party") may participate therein at its own expense; provided, however, that if the Stockholder Representative assumes control of the defense of such Third-Party Claim and the Stockholders, Company Optionholders and Purchaser have materially conflicting interests or different defenses available with respect to such Third-Party Claim that cause Purchaser to hire its own separate counsel with respect to such proceeding, the reasonable fees and expenses of counsel to Purchaser shall be considered "Damages" for purposes of this Agreement. The party controlling the defense of such Third-Party Claim (the "Controlling Party") shall keep the Non-Controlling Party reasonably advised of the status of such Third-Party Claim and the defense thereof and shall consider in good faith recommendations made by the Non-Controlling Party with respect thereto. The Non-Controlling Party shall furnish the Controlling Party with such information as it may have with respect to such Third-Party Claim (including copies of any summons, complaint or other pleading which may have been served on such party and any written claim, demand, invoice, billing or other document evidencing or asserting the same) and shall otherwise cooperate with and assist the Controlling Party in the defense of such Third-Party Claim. Notwithstanding anything to the contrary in this Agreement, neither Purchaser (or any other Purchaser Indemnified Party) nor the Stockholder Representative (on behalf of the Stockholders and Company Optionholders) shall agree to any material settlement of, or the entry of any judgment arising from, any such Third-Party Claim without the prior written consent of the other party, which shall not be unreasonably withheld, conditioned or delayed. Once the Indemnity Escrow Amount has been depleted, Purchaser will, thereupon, automatically have the exclusive right to contest, defend, litigate and settle such Third-Party Claim and any and all other Third-Party Claims. A party's consent to any settlement of a Third-Party Claim shall not be used as evidence of the truth of the allegations in any Third-Party Claim or the merits of such Third-Party Claim, in each case, vis a vis the third-party bringing such Third-Party Claim. Furthermore, the existence of any Third-Party Claim shall not create a presumption of any breach by a party to this Agreement of any of its representations, warranties or covenants set forth in this Agreement. The procedures in this Section shall not apply to any Tax Claim, which shall be governed solely by Section 8.3, or to the determination of the Adjustment Amount, which shall be governed solely by Section 2.10.

7.4. Indemnification Mechanics.

(a) In order to seek indemnification under this Section, the Indemnified Party shall deliver a written demand in good faith (an "Indemnification Demand") to the Stockholder Representative (if the Indemnified Party is Purchaser or the Surviving Corporation) or Purchaser (if the Indemnified Party is a Stockholder or Company Optionholder) which contains (i) a description and the amount of any Damages (if reasonably determinable at such time) incurred or reasonably expected to be incurred (if reasonably determinable at such time) by the Indemnified Party, (ii) a statement that the Indemnified Party is entitled to indemnification under Section 7.1 or Section 7.2, as applicable, for such Damages and a reasonable explanation of the basis therefor and (iii) a demand for payment in the amount of such Damages.

(b) Upon reasonable request, the Indemnified Party shall, in a manner so as to preserve attorney-client privilege, furnish the Stockholder Representative or Purchaser, as applicable, with any information to the extent that such information is reasonably necessary in order to evaluate the Indemnification Demand. If the Stockholder Representative or Purchaser, as applicable, in good faith objects to any claim made by the Indemnified Party in the Indemnification Demand, then the Stockholder Representative or Purchaser, as applicable, shall deliver a written notice (an “Indemnification Dispute Notice”) to the Indemnified Party and shall provide a copy of such Indemnification Dispute Notice to the Escrow Agent (if the Indemnity Escrow Fund has not ceased to exist and the Indemnified Party is Purchaser or the Surviving Corporation) within 30 days following receipt by the Stockholder Representative or Purchaser, as applicable, of an Indemnification Demand from such Indemnified Party. The Indemnification Dispute Notice shall set forth in reasonable detail the principal basis for the dispute of any claim made by the Indemnified Party in the Indemnification Demand. If the Stockholder Representative or Purchaser, as applicable, fails to deliver an Indemnification Dispute Notice prior to the expiration of such 30-day period, then the indemnity claim set forth in the Indemnification Demand shall be conclusively determined in the Indemnified Party’s favor for purposes of this Section, and the Indemnified Party shall be indemnified for the amount of the Damages stated in such Indemnification Demand (or, in the case of any notice in which the Damages (or any portion thereof) are estimated, the amount of such Damages (or such portion thereof) as finally determined) on demand or, in the case of any notice in which the Damages (or any portion thereof) are estimated, on such later date when the amount of such Damages (or such portion thereof) becomes finally determined, in either case, subject to the limitations of this Section.

If the Stockholder Representative or Purchaser, as applicable, delivers an Indemnification Dispute Notice, then the Indemnified Party and the Stockholder Representative or Purchaser, as applicable, shall attempt in good faith to resolve any such objections raised in such Indemnification Dispute Notice. If the Indemnified Party and the Stockholder Representative or Purchaser, as applicable, agree to a resolution of such objection, then a memorandum setting forth the matters conclusively determined by the Indemnified Party and the Stockholder Representative or Purchaser, as applicable, shall be prepared and signed by both parties, and shall be binding and conclusive upon the parties hereto.

(c) If no such resolution can be reached during the 45-day period following the Indemnified Party’s receipt of an Indemnification Dispute Notice, then upon the expiration of such 45-day period (or such longer period as may be mutually agreed), either Stockholder Representative or Purchaser shall have the right to submit such dispute to a court of competent jurisdiction in accordance with Section 10.10.

(d) For the avoidance of doubt, all references to the Stockholder Representative as “Indemnifying Party” or similar references are solely in its capacity as the Stockholder Representative on behalf of the Stockholders and the Company Optionholders for purposes of notices, participation in claims and other administration and in no way obligate the Stockholder Representative to provide any indemnification or otherwise impose any liability on the Stockholder Representative.

7.5. Survival. Subject to the limitations and other provisions of this Agreement, the representations and warranties contained in this Agreement and the certificates of the Company delivered pursuant to this Agreement shall survive the Closing and remain in full force and effect until the twelve (12) month anniversary of the Closing Date; provided, however, that claims that involve Fraud shall survive until the date that is 60 days after the expiration of the applicable statute of limitations. All covenants and agreements of the parties contained in this Agreement which by their terms contemplate actions or impose

obligations following the Closing shall survive the Closing and remain in full force and effect in accordance with their terms for the time period contemplated for performance, or, if no time period for performance is contemplated, until the twelve (12) month anniversary of the Closing Date (or, in the case of obligations to the Stockholder Representative Group pursuant to Section 2.6, such obligations shall survive indefinitely). All other covenants and agreements contained in this Agreement shall not survive the Closing and shall terminate upon the Closing. Notwithstanding the foregoing, with respect to any claim as to which an Indemnified Party shall have, on or prior to such date, delivered an Indemnification Demand, the indemnification obligations hereunder with respect to such claim, and the claim asserted in such Indemnification Demand, shall survive until such time as such claim is fully and finally resolved.

7.6. Sole and Exclusive Remedy; Limitations

(a) From and after the Closing, except (i) for the right to pursue specific performance pursuant to Section 10.14, (ii) any claim of Fraud asserted against the Person who committed such Fraud (but otherwise subject to the limitations of this Section) and (iii) pursuant to Section 2.10 (but otherwise subject to the limitations therein), the indemnification provisions of this Section shall constitute the sole and exclusive remedy of the Indemnified Parties for any and all Damages or other claims relating to or arising from this Agreement, including in any schedule or certificate delivered hereunder. In no event shall any Stockholder or Company Optionholder's liability, other than for Fraud committed by such Stockholder or Company Optionholder (which may be made solely against the Person(s) who committed such Fraud), exceed the portion of the Final Closing Merger Consideration actually received by such Stockholder or Company Optionholder.

(b) The parties hereto agree that the provisions in this Agreement relating to indemnification, and the limits imposed on the remedies with respect to this Agreement and the transactions contemplated hereby, were specifically bargained for between sophisticated parties and were specifically taken into account in the determination of the amounts to be paid to the Stockholder or Company Optionholder hereunder.

(c) The sole and exclusive sources of recovery in respect of any indemnification claim made by any Purchaser Indemnified Party pursuant to Section 7.1(a), Section 7.1(d) and Section 7.1(e) (but otherwise subject to the limitations of this Section) shall be (i) first, the Indemnity Escrow Amount, and (ii) second, the Warranty Policies.

(d) Notwithstanding anything to the contrary contained in this Agreement, no Purchaser Indemnified Party shall be entitled to recover any Damages under Section 7.1(a) and Section 7.1(e) unless and until the aggregate Damages for which they would otherwise be entitled to indemnification under Section 7.1 exceed Four Hundred Thousand Dollars (\$400,000) (the "Indemnity Deductible"); *provided*, that the Indemnity Deductible shall not apply to Section 7.1(c) and Section 7.1(d) or any Damages related to claims based on Fraud asserted against the Person who committed such Fraud.

(e) Nothing contained herein shall limit any Purchaser Indemnified Party's rights under the Warranty Policies.

(f) No Purchaser Indemnified Party shall be entitled to make a claim under Section 7.1(c) and Section 7.1(d) until such Purchaser Indemnified Party has utilized all commercially reasonable best efforts to recover under the Warranty Policies (solely to the extent such Damages are recoverable thereunder) for the facts and circumstances of such claim, including, for the avoidance of doubt, asserting such claim as a claim under Section 7.1(a). Notwithstanding anything to the contrary herein, any indemnification owing from the Stockholders to a Purchaser Indemnified Party under Section 7.1(c) shall be several and not joint and each Stockholders' indemnification obligation shall be limited to the excess Merger Consideration such Stockholder received as a result of the inaccuracy in the calculation or determination set forth on the Closing Payment Schedule. Any claim under Section 7.1(c) or Section 7.1(d) must be asserted prior to the one-year anniversary of the Closing Date.

7.7. Net Insurance Proceeds. Any indemnification obligations under this Section will be net of any insurance proceeds or any indemnity payment, contribution payments or reimbursements actually received by the Purchaser Indemnified Parties from a third party with respect thereto, net of documented associated expenses and costs of recovery.

7.8. Mitigation of Damages. The Indemnified Parties shall use commercially reasonable efforts to mitigate any Damages, which in the absence of mitigation might give rise to or increase Damages in respect of any claim under this Section.

7.9. Provisions. No indemnification will be available to the Purchaser Indemnified Parties in respect of any Damages to the extent the fact, matter, event or circumstance giving rise to the claim or on which it is based is expressly allowed, provided, accrued or reserved for in such amount in the Company Financial Statements or is expressly provided for or otherwise expressly taken into account in determining the Aggregate Closing Merger Consideration pursuant to Section 2.8 or any Adjustment Amount pursuant to Section 2.10.

7.10. Subrogation. If Purchaser, the Surviving Corporation or any Affiliate of Purchaser or the Surviving Corporation receives or becomes entitled to indemnification pursuant to this Section, the Stockholder Representative (on behalf of the Stockholders and Company Optionholders) shall be entitled to exercise and shall be subrogated to any rights and remedies (including rights of indemnity, rights of contribution and rights of recovery) that Purchaser, the Surviving Corporation or such Affiliate may have against any other Person with respect to any Damages, circumstance or matter to which such indemnification payment is directly or indirectly related. Purchaser and the Surviving Corporation shall take such actions as the Stockholder Representative may reasonably request for the purpose of enabling the Stockholder Representative (on behalf of the Stockholders and the Company Optionholders) to perfect or exercise all rights of subrogation hereunder.

7.11. Reserved.

7.12. Materiality Scrape. For purposes of Section 7.1(a), in determining whether there has been a breach of any representation or warranty, and for purposes of calculating any Damages pursuant to Section 7.1(a), all qualifications in a representation or warranty referencing the terms “material,” “materiality,” “Material Adverse Effect” or other terms of similar import or effect with respect to materiality shall be disregarded (other than, for the avoidance of doubt, any specific dollar amount thresholds), except for the definition of “Material Contract”.

7.13. No Circular Claims. Each Stockholder and Company Optionholder agrees that it shall not have, and hereby expressly waives and agrees not to exercise or assert, solely in its capacity as a Stockholder or Company Optionholder and not as an officer or director of the Company, any right of indemnification or contribution against the Surviving Corporation in connection with any Damages which the Stockholder or Company Optionholder are required to indemnify the Purchaser Indemnified Parties in accordance with this Agreement other than (i) any rights by virtue of his or her status as an officer, director, employee or consultant, including any rights to accrued compensation that remains unpaid as of the Closing or earned employee benefits that remain unpaid or unused accrued vacation as of the Closing and (ii) any claims for reimbursement for expenses incurred in the ordinary course.

7.14. Tax Treatment of Payments. The parties hereto agree to treat any payments made pursuant to this Section as adjustments to the Final Closing Merger Consideration for all Tax purposes to the maximum extent permitted by applicable Law.

ARTICLE VIII POST-CLOSING AGREEMENTS

8.1. Access to Records. Purchaser shall cause the Company to provide reasonable access to the books and records of the Company Group to Stockholder Representative and its designees and representatives, for reasonable business purposes at all reasonable times during normal business hours, for a six (6) year period after the Closing Date, to the extent relating to the business of the Company Group prior to the Closing Date, as reasonably required by Stockholder Representative. As used in this Section 8.1, the right of access includes the right to make extracts or copies.

8.2. Officers and Directors Liability.

(a) From and after the Closing Date until the sixth anniversary of the Closing Date, Company shall, and Purchaser shall cause the Company to: (i) honor all exculpation, advancement and indemnity obligations to present or former officers, directors, managers of the Company or any of its Subsidiaries (“D&O Indemnified Persons”) by reason of any act or omission occurring on or prior to the Closing Date (including any such acts or omissions which arise out of or relate to the transactions contemplated by this Agreement), whether asserted or commenced prior to, on or after the Closing Date (each, a “D&O Claim”), to the full extent required or permitted by, and in accordance with, the express provisions as in effect on the date hereof of Article Sixth of the Company’s Certificate of Incorporation, Article VI of its Bylaws, under the indemnification agreements set forth on Schedule 8.2(a) between a member of the Company Group and an Indemnified Person regarding such Indemnified Person’s indemnification rights, or as required by applicable Law, with respect to the indemnification of an Indemnified Person (the “Indemnification Provisions”); (ii) advance expenses to the D&O Indemnified Persons in connection with each D&O Claim to the full extent required or permitted by the Indemnification Provisions; and (iii) honor the Indemnification Provisions as contract rights in favor of the D&O Indemnified Persons, with respect to any D&O Claim.

(b) All rights to exculpation and indemnification for acts or omissions occurring prior to the Closing Date now existing in favor of the D&O Indemnified Persons as provided in the Company’s organizational documents on the date hereof shall be maintained in such documents and shall survive the Closing and shall continue in full force and effect in accordance with their terms for a period of six years following the Closing Date.

(c) The Company will (at its sole cost and expense) obtain a bound and non-cancellable prepaid insurance policy (the “D&O Policy”) under terms equal or better to the Company’s current directors and officers liability insurance package policy that provides coverage for an aggregate period of not less than six (6) years with respect to claims arising from acts, events or omissions that occurred at or prior to the Closing.

(d) The provisions of this Section 8.2 are intended to be for the benefit of, and shall be enforceable by, each of the D&O Indemnified Persons, their heirs and their personal representatives and shall be binding on all successors and permitted assigns of the Company and Purchaser. Purchaser shall cause the surviving or resulting entity of any merger, consolidation or similar transaction involving any member of the Company Group to assume the obligations imposed by this Section 8.2.

8.3. Tax Matters.

(a) [Reserved].

(b) [Reserved].

(c) Cooperation. The Purchaser shall and shall cause the Surviving Corporation and the Subsidiaries to retain all books and records with respect to Tax matters pertinent to the Company Group relating to the Pre-Closing Tax Period until the expiration of the applicable statute of limitations (and, to the extent notified by the Purchaser or the Stockholder Representative, any extension thereof) for the respective taxable periods. The Stockholder Representative, at the request of Purchaser, shall (i) assist the Purchaser, the Surviving Corporation and the Subsidiaries in preparing any Tax Returns and conducting any Tax audit, claim, investigation or other proceeding and (ii) retain all books and records in its possession with respect to Tax matters pertinent to the Company Group relating to the Pre-Closing Tax Period until the expiration of the applicable statute of limitations (and, to the extent notified by the Purchaser or the Stockholder Representative, any extension thereof). Notwithstanding anything to the contrary in this Agreement, the Stockholder Representative shall have no obligation to prepare or file any Tax Returns.

(d) Allocation of Taxes. In the case of any Taxes relating to a Tax period that includes (but does not end on) the Closing Date (the “Straddle Period”), the portion of such Tax which relates to the Pre-Closing Tax Period shall (i) in the case of any Taxes other than Taxes based upon or related to income, gains or receipts, be deemed to be the amount of such Tax for the entire Straddle Period *multiplied by* a fraction the numerator of which is the number of days in the Pre-Closing Tax Period and the denominator of which is the number of days in the entire Straddle Period, and (ii) in the case of any Tax based upon or related to income, gains or receipts be deemed equal to the amount which would be payable if the relevant Straddle Period ended on the Closing Date.

(e) Tax Return Preparation. The Purchaser shall prepare or cause to be prepared and file or cause to be filed all Tax Returns for the Company Group for the Pre-Closing Tax Period and Straddle Period that are required to be filed after the Closing Date. All Returns filed by the Purchaser after the Closing Date will be prepared in a manner consistent with the past practice and custom of the Company Group to the extent consistent with applicable Law. The Purchaser shall permit the Stockholders Representative to review and comment on each income and other material Tax Return relating to or including a Pre-Closing Tax Period prior to filing and shall consider in good faith any requested revisions.

(f) Tax Contests. After the Closing Date, the Purchaser, the Surviving Corporation and the Stockholder Representative, respectively, shall inform the other party in writing of the commencement of any claim, audit, investigation, examination, or other proceeding or self-assessment relating in whole or in part to Taxes for a Pre-Closing Tax Period (“Tax Contest”) for which the Purchaser may be entitled to indemnity from the Stockholders and Company Optionholders. After the Closing Date, the Purchaser shall have the exclusive right to represent the interests of the Company Group in any and all Tax Contests; provided, however, that the Stockholder Representative shall have the right to participate in any such Tax Contest and to employ counsel at its own expense (on behalf of the Stockholders and the Company Optionholders) of its choice (which counsel shall be reasonably acceptable to the Purchaser) for purposes of such participation to the extent that any such Tax Contest could reasonably be expected to result in a Tax indemnification liability of the Stockholders and the Company Optionholders pursuant to this Agreement. In the event that the Purchaser proposes to compromise or settle any Tax Contest, or consent or agree to any Tax liability, relating to the Company Group that would result in an indemnity payment by the Stockholders and the Company Optionholders, the Stockholder Representative shall have the right to review such proposed compromise, settlement, consent or agreement. The Purchaser shall not agree or consent to compromise or settle any Tax Contest on a basis that would result in a Tax liability of the Company Group for a Pre-Closing Tax Period or liability of the Stockholders and the Company Optionholders for indemnification unless the Stockholder Representative consents to such settlement, compromise or concession, which consent will not be unreasonably withheld, conditioned or delayed.

(g) Tax Agreements. All Tax-sharing agreements or similar contracts with respect to or involving any member of the Company Group and any other person shall be terminated as of the Closing Date and, after the Closing Date, no member of the Company Group shall not be bound thereby or have any liability thereunder.

(h) Other Tax Matters.

(i) To the extent applicable under the Tax Law in respect of this transaction, the Parties shall treat any gains, income, deductions, losses, or other items realized by the Company Group for income Tax purposes with respect to any transaction outside the ordinary course of business engaged in by the Company Group on the Closing Date, which occurs after the Closing or at the direction of the Purchaser, as occurring on the day immediately following the Closing Date and to utilize the “next day rule” in Treasury Regulation Section 1.1502-76(b)(1)(ii)(B) (or any similar provision of state, local, or non-U.S. Law) for purposes of reporting such items on applicable Tax Returns.

(ii) Until such time as the Indemnity Escrow Amount is exhausted or released to Stockholders and the Company Optionholders, Purchaser shall not take any action that constitutes a Stockholder Tax Matter without the prior written consent of the Stockholder Representative, which consent shall not be unreasonably withheld, conditioned or delayed, except as required by applicable law.

8.4. Employee Matters.

(a) For at least one (1) year following the Closing Date, Purchaser shall, or shall cause its Affiliates to, provide to the employees of the Company Group, including employees not actively at work due to injury, vacation, military duty, disability or other leave of absence, who continues to be employed by Purchaser or its Affiliates as of the Closing (“Company Employees”) with (i) as to each Company Employee at least the same level of base salary or hourly wage rate, as the case may be, that was provided to such Company Employee immediately prior to the Closing, (ii) target annual cash performance bonus opportunities (but not equity-based incentive opportunities) that are not materially less than the target annual cash performance bonus opportunities in effect with respect to Company Employees in the aggregate immediately prior to the Closing, and (iii) other employee benefits that are substantially comparable in the aggregate to either (A) those provided to Company Employees immediately prior to the Closing, or (B) those provided by Purchaser to similarly situated Purchaser employees, as elected by Purchaser in its discretion. In the event the compensation and benefits described in the foregoing clauses (i), (ii) and (iii) materially differs on the Closing Date from the compensation and benefits described in Schedule 4.13(a) Schedule 4.14(c), the Company will deliver a list of such differences to the Purchaser on the date that is three (3) Business Days prior to the Closing.

(b) Following the Closing Date, Purchaser shall, or shall cause its Affiliates to, honor all vacation, sick pay and other paid time off for Company Employees accrued but unused as of the Closing Date which will be set forth on a Schedule 8.4(b) to be delivered on the date that is three (3) Business Days prior to the Closing Date, on terms and conditions not less favorable than the terms and conditions in effect immediately prior to the Closing Date.

(c) Periods of employment with the Company Group and any of its predecessors and Affiliates shall be taken into account for purposes of determining eligibility, vesting, and for purposes of vacation or paid time off level of benefits for each Company Employee under all broad-based employee benefit plans, programs, policies or arrangements of Purchaser or its Affiliates in which such Company

Employee is eligible to participate on or following the Closing Date excluding any Purchaser equity incentive, defined benefit pension, retiree health, change in control, severance and similar programs (each, a “Purchaser Benefit Plan”), in each case, to the same extent such service was recognized under a comparable Benefit Plan in which such Company Employee participated immediately prior to the Closing Date; provided, however, that no such crediting of service shall result in duplication of benefits for the same period of service.

(d) With respect to each Purchaser Benefit Plan that is a group welfare plan which replaces coverage under a comparable Benefit Plan in which any Continuing Employee participated immediately prior to the Closing Date, Purchaser shall, or shall cause its Affiliates to use commercially reasonable efforts to (i) waive all preexisting condition exclusions, evidence of insurability or good health, waiting periods, actively-at-work exclusions or other limitations with respect to participation and coverage requirements applicable to each Company Employee to the extent waived or satisfied under the comparable Benefit Plan in which such Company Employee participated immediately prior to the Closing Date, and (ii) credit each Company Employee for any applicable amounts paid or eligible expenses incurred (whether in the nature of co-payments or coinsurance amounts, amounts applied toward deductibles or other out-of-pocket expenses) by such Company Employee (and his or her covered spouses, dependents or beneficiaries) under the terms of the Benefit Plan during the calendar year in which such amount was paid or incurred, toward satisfying any applicable deductible, co-payment, coinsurance, maximum out-of-pocket requirements under the applicable Purchaser Benefit Plan that replaces such Benefit Plan for the plan year in which the Closing Date occurs provided that the Company shall have provided information to Purchaser regarding such eligible expenses to enable it to satisfy its obligations under this Section.

(e) Nothing contained in this Section or any other provision of this Agreement, expressed or implied, shall give any third person, other than the parties to this Agreement, any rights or remedies of any nature whatsoever, including but not limited to any right to continued employment or service with the Company Group or Purchaser or any of its Affiliates, under or by reason of this Section 8.4(e) and no provision of this Section 8.4(e) shall create any third party beneficiary rights in any other person, including any current or former Company Service Provider, to enforce the provisions of this Section 8.4(e) or any other matter related thereto or shall be construed to amend or modify any Benefit Plan or any employee benefit plan, program, policy or arrangement sponsored by Purchaser or its Affiliates.

8.5. Warranty Policies. During the term of the Warranty Policies, neither Purchaser nor any of its Affiliates or representatives shall cancel, modify or waive the anti-subrogation provisions contained in the Warranty Policies (or any rights thereunder) if such cancellation, modification or waiver would reasonably be expected to materially and adversely affect the Stockholder Representative or the Stockholders (which by way of example shall include, allowing any amendment, termination, cancellation or revocation that requires the insurer thereunder to subrogate or otherwise make or bring any action or proceeding against the Stockholder Representative or the Stockholders based upon, arising out of or related to this Agreement or the negotiation, execution or performance of this Agreement (other than in the event of Fraud) or that could otherwise increase the liability of any Stockholder). Promptly following the Closing and pursuant to the conditional binder issued in connection with the Warranty Policy, the Company shall, or shall cause, an electronic copy of the virtual data room data materials as maintained by or on behalf the Company to be delivered to the insurer or claims representative as required pursuant to the terms of the conditional binder issued in accordance with the Warranty Policy.

8.6. No Recourse Against Nonparty Affiliates. Notwithstanding anything to the contrary contained herein, (a) all claims, obligations, liabilities, or causes of action (whether in contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to this Agreement, any other documents or agreements entered into in connection with the transactions contemplated by the Agreement, or the negotiation,

execution, or performance of this Agreement or any other documents or agreements entered into in connection with the transactions contemplated by the Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement or any other documents or agreements entered into in connection with the transactions contemplated by the Agreement), may be made only against (and are those solely of) the Persons that are expressly named as parties thereto, the Stockholders and the Company Optionholders (and then only with respect to their specific respective obligations set forth herein or therein with respect to such party, Stockholder or Company Optionholder, as applicable) (the “Named Parties”) and (b) no Person other than the Named Parties, including any Affiliate or any director, officer, employee, incorporator, member, partner, manager, stockholder, agent, attorney, or representative of, or any financial advisor or lender to, any Named Party or any of its Affiliates, or any director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, or representative of, or any financial advisor or lender to, any of the foregoing (“Nonparty Affiliates”), shall have any liability (whether in contract or in tort, in law or in equity, or granted by statute) for any claims, causes of action, obligations, or liabilities arising under, out of, in connection with, or related in any manner to this Agreement or any other documents or agreements entered into in connection with the transactions contemplated by the Agreement or the transactions contemplated hereby or thereby or based on, in respect of, or by reason of this Agreement or any other document or agreement entered into in connection with the transactions contemplated by the Agreement or its negotiation, execution, performance, or breach or the transactions contemplated hereby or thereby. Nothing in this Section 8.6 shall serve to limit or reduce in any manner any claim for actual fraud as defined under the common Law of Delaware by such person with respect to the making of the representations and warranties in this Agreement or any other document or agreement entered into in connection with the transactions contemplated by this Agreement.

8.7. Further Assurances. As and when required by any party hereto, each party hereto shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and will take, or cause to be taken, at the requesting party’s expense, all such further or other actions, as such other party may reasonably deem necessary or desirable to effectuate the Merger, on the terms herein contained, and to otherwise comply with the terms of this Agreement and consummate the transactions contemplated hereby, including, for the avoidance of doubt, the Company providing reasonable assistance as requested by the Purchaser in obtaining the Warranty Policies.

ARTICLE IX TERMINATION

9.1. Right to Terminate. This Agreement and the transactions contemplated hereby may be terminated at any time prior to the Closing:

(a) by the mutual written consent of Purchaser, Merger Sub, the Company and the Stockholder Representative;

(b) by Purchaser or Merger Sub in the event of any breach by the Company of any of the Company’s covenants, representations and warranties contained in this Agreement which has resulted in (i) a Material Adverse Effect or (ii) a material adverse effect on the ability of the Company to consummate the transactions contemplated hereby; provided, however, that neither Purchaser nor Merger Sub may terminate this Agreement pursuant to this Section 9.1(b) if such breach is curable by the Company through the exercise of commercially reasonable efforts and the Company continues to exercise commercially reasonable efforts to cure such breach by not later than the Termination Date;

(c) by the Company in the event of any breach by Purchaser or Merger Sub of any of Purchaser's or Merger Sub's covenants, representations and warranties contained in this Agreement which has resulted in a material adverse effect on Purchaser's ability to consummate the transactions contemplated hereby; provided, however, that the Company and Stockholder Representative may not terminate this Agreement pursuant to this Section 9.1(c) if such breach is curable by Purchaser or Merger Sub, as applicable, through the exercise of commercially reasonable efforts and Purchaser or Merger Sub, as applicable, continues to exercise commercially reasonable efforts to cure such breach by no later than the Termination Date;

(d) by prompt notice, given in accordance with Section 10.2, by either Purchaser and Merger Sub or the Company if the Closing shall not have occurred at or before 11:59 p.m. on February 14, 2022 (the "Termination Date"); provided, however, that the right to terminate this Agreement under this Section 9.1(d) shall not be available to any party whose failure to fulfill any of its obligations under this Agreement has been the cause of or resulted in the failure of the Closing to occur on or prior to the aforesaid date;

(e) By Purchaser, if the Company shall not have obtained and delivered to Purchaser the Requisite Stockholder Vote within 24 hours following the time of execution and delivery of this Agreement; or

(f) by Purchaser, Merger Sub, the Company or Stockholder Representative if any court of competent jurisdiction in the United States or other United States Governmental Authority shall have issued a final and non-appealable order, decree or ruling permanently restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated hereby.

9.2. Certain Effects of Termination.

(a) In the event of the termination of this Agreement by the Company, Stockholder Representative, Merger Sub or Purchaser as provided in Section 9.1:

(i) subject to Section 9.2(b), the provisions of this Agreement shall immediately become void and of no further force or effect;

(ii) each party hereto, if so requested by another party hereto, will return promptly every document furnished to it by such other party (or any subsidiary, division, associate or Affiliate of such other party) in connection with the transactions contemplated hereby, whether so obtained before or after the execution of this Agreement, and any copies thereof (except for copies of documents publicly available) which may have been made, and will use reasonable efforts to cause its representatives and any representatives of financial institutions and investors and others to whom such documents were furnished promptly to return such documents and any copies thereof any of them may have made;

(iii) the Confidentiality Agreement shall remain in effect; and

(iv) there shall be no liability on the part of Purchaser, on the one hand, or the Company, on the other, as between one another, except to the extent provided in Section 9.4.

(b) This Section 9.2, Sections 9.3, 9.4 and 10.1 through 10.17 shall survive any termination of this Agreement.

9.3. Remedies. Notwithstanding any termination right granted in Section 9.1, in the event of the non-fulfillment of any condition to the closing obligations of a party hereto, in the alternative, such party may elect to do one of the following:

(a) proceed to close (including a closing following exercise of specific performance rights under Section 9.3(c)) despite the non-fulfillment of any closing condition, it being understood that consummation of the Closing shall waive any breach of any representation, warranty or covenant and of such party's rights and remedies with respect thereto to the extent that such party has actual knowledge of such breach and the Closing shall nonetheless occur;

(b) decline to close, terminate this Agreement as provided in Section 9.1 and may also elect to seek damages to the extent permitted in Section 9.4; or

(c) seek specific performance of the obligations of another party hereto. Each party hereto hereby agrees that in the event of any breach by such party of this Agreement, the remedies available to the other parties hereto at law would be inadequate and that such party's obligations under this Agreement may be specifically enforced.

9.4. Limitation on Claims. If this Agreement is terminated pursuant to Section 9.1, no party hereto shall have any claim against the other parties hereto, except for knowing or willful material breaches of any representations, warranties or covenants contained in this Agreement (including the failure of a party to consummate the transactions contemplated by this Agreement following the satisfaction of all the conditions to such party's obligations under Article VI) prior to the time of such termination, which breach is the basis for the termination of this Agreement.

ARTICLE X MISCELLANEOUS

10.1. Publicity.

(a) No press releases or other public announcement related to this Agreement or the transactions contemplated hereby shall be issued or made by any party hereto without the prior agreement of the Company and Purchaser, except as otherwise required by Law (in the reasonable opinion of counsel), in which case Purchaser and the Company shall have the right to review such press release or announcement prior to its issuance, distribution or publication. Except as otherwise required by Law (in the reasonable opinion of counsel), no such press releases or public announcement shall state the amount of any consideration payable hereunder. Notwithstanding anything herein to the contrary, no such press releases or other public announcement shall identify any Stockholder or its Affiliates by name without the prior written consent of such Stockholder.

(b) Notwithstanding Section 10.1(a), following the Closing, the Stockholder Representative and each Stockholder may (i) make a public announcement regarding the consummation of the transactions contemplated by this Agreement (without disclosure of the Aggregate Closing Merger Consideration) and (ii) provide full disclosure of the consummation of the transactions contemplated by this Agreement (as well as the material terms hereof) to any current or prospective investors or lenders to the Company or any of its Affiliates.

All Warranty Policies' Insurance Premiums due under the Warranty Policies shall be treated as provided in the definition of Transaction Expenses.

10.4. Entire Agreement. This Agreement, the instruments to be delivered by the parties pursuant to the provisions hereof, and the Confidentiality Agreement constitute the entire agreement among the parties hereto and supersede any prior understandings, agreements or representations by or among the parties hereto, written or oral, which may have related to the subject matter hereof in any way. Purchaser acknowledges that it has conducted an independent investigation of the financial condition, assets, liabilities, properties and projected operations of the Company Group in making its determination as to the propriety of the transactions contemplated by this Agreement, and in entering into this Agreement, has relied solely on the results of said investigation and on the representations and warranties of the Company expressly contained in this Agreement.

10.5. Assignment. This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, except that neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by the Company without the prior written consent of Purchaser, or by Purchaser and Merger Sub without the prior written consent of Seller, in each case not to be unreasonably withheld, delayed or conditioned by such party, and any attempted assignment without such consent shall be void and of no force and effect; provided, however, that (a) Purchaser and Merger Sub (i) may assign any of their rights or delegate any of their duties under this Agreement to any Affiliate; and (ii) may assign its rights, but not its obligations, under this Agreement to any lender to Purchaser, Merger Sub or any of their Affiliates as security for obligations to such lender in respect of the financing arrangements entered into in connection with the transactions contemplated hereby; provided, further, that no assignment to any such Affiliate or lender shall in any way affect Purchaser's or Merger Sub's obligations or liabilities under this Agreement, and (b) after the Closing, Stockholder Representative may assign this Agreement to any of its owners or successors by operation of Law; provided, that no such assignment shall in any way affect the Company's obligations or liabilities under this Agreement.

10.6. Schedules and Exhibits. The Schedules and Exhibits (including the Disclosure Schedules) referenced in this Agreement constitute an integral part of this Agreement as if fully rewritten herein and shall be considered incorporated herein. The information and disclosures set forth on any particular schedule of the Disclosure Schedules shall be deemed to be disclosed and incorporated by reference with respect to all other schedules of the Disclosure Schedules to the extent that the applicability of such information and disclosures to such other schedules is reasonably apparent. The inclusion of any information or disclosure in the Disclosure Schedules shall not be deemed an admission that such information or disclosure is material for the purposes of this Agreement. Where the representations and warranties in this Agreement contain specific dollar threshold items, disclosures listed in response thereto may include items that are below such dollar thresholds. Such additional matters are set forth for informational purposes only. The inclusion of any information or disclosure in the Disclosure Schedules relating to any possible breach or violation of any contract or Law will not be construed as an admission or indication that any such breach or violation exists or has actually occurred. No reference in the Disclosure Schedules to any agreement or document shall be construed as an admission or indication by any party to this Agreement to any third party of any matter whatsoever, including that such agreement or document is enforceable or currently in effect or that there are any obligations remaining to be performed or any rights that may be exercised under such agreement or document, except as otherwise explicitly set forth in the Disclosure Schedules or this Agreement.

10.7. Amendment; Waiver. This Agreement shall not be modified or amended except pursuant to an instrument in writing duly executed by an authorized representative on behalf of Purchaser, Merger Sub, Stockholder Representative and the Company. In addition, any failure of a party hereto to comply with any obligation, covenant, agreement or condition contained herein may be waived only if set forth in an instrument in writing and duly executed by an authorized representative of the waiving party. Rocket Lab to Acquire SolAero Holdings, Inc., a Global Leader in Space Solar Power Products

The strategic acquisition will see Rocket Lab add the world's largest production line of high-performing space solar cells to the Company's growing space systems business

Long Beach, California. December 13, 2021 – Rocket Lab USA, Inc. (Nasdaq: RKLB) ("Rocket Lab" or "the Company"), a global leader in launch services and space systems, today announced it has signed a definitive agreement to acquire SolAero Holdings, Inc. (SolAero), a premier supplier of space solar power products and precision aerospace structures for the global aerospace market, for \$80 million in cash. The acquisition is expected to close in the first quarter of 2022.

The acquisition aligns with Rocket Lab's growth strategy of vertical integration to deliver a comprehensive space solution that spans spacecraft manufacture, satellite subsystems, flight software, ground operations, and launch. As one of only two companies producing high-efficiency, space-grade solar cells in the United States, SolAero's space solar cells are among the highest performing in the world and support civil space exploration, science, defense and intelligence, and commercial markets. In combining with Rocket Lab, SolAero will tap into the Company's resources and manufacturing capability to boost high-volume production, making high-performing space power technologies available at scale.

"SolAero is a highly complementary addition to Rocket Lab's vertically integrated business model and strengthens our ability to streamline space for our customers by delivering complete space mission solutions," said Rocket Lab founder and CEO, Peter Beck. "SolAero has established itself as a premier provider of solar technologies, enabling trailblazing missions that have expanded scientific horizons and advanced commercial space. By combining our innovative teams, industry-leading technologies, and strong resources, we can advance space exploration and enable our customers to push the boundaries of what's possible in orbit. We are absolutely thrilled to welcome the SolAero team to the Rocket Lab family."

"We are very excited to join the outstanding team at Rocket Lab and contribute to their track record of innovation and on-orbit success," said SolAero President and CEO, Brad Clevenger. "As Rocket Lab builds on its capability to provide complete mission solutions, SolAero is a natural fit for Rocket Lab. We look forward to becoming an integral part of Rocket Lab's Space Systems business while continuing to offer all of our customers premier capability and value."

Founded in 1998 and headquartered in Albuquerque, New Mexico, SolAero's solar cells, solar panels, and composite structural products have supported more than 1,000 successful space missions with 100% reliability and mission success to date. Over the past two decades, SolAero's products have played key roles in some of the industry's most ambitious space missions, including supplying power to NASA's Parker Solar Probe and Mars Insight Lander, the largest solar array ever deployed on the surface of Mars, and several Cygnus Cargo Resupply Missions to the International Space Station. SolAero also led the development and manufacturing of the solar panel on Ingenuity, the helicopter that successfully

flew on Mars in April this year, marking the first ever powered, controlled flight on a planet other than Earth.

SolAero technology has also made commercial constellations possible, providing power to OneWeb's broadband constellation. Most recently, SolAero has been selected to supply Solar Power Modules for the Power and Propulsion Element of NASA's Gateway as part of NASA's Artemis lunar exploration plans, which will enable future missions to Mars.

The addition of SolAero's 425-strong team brings Rocket Lab's total headcount to more than 1,100 employees across its space manufacturing complexes, test facilities, and launch sites in California, Virginia, Colorado, Maryland, Toronto, New Zealand and now Albuquerque, New Mexico. The SolAero team will continue to be led by President and CEO Brad Clevenger at SolAero's 154,696 ft² (14,372 m²) production facilities in Albuquerque, New Mexico.

The SolAero merger is Rocket Lab's third proposed acquisition announced this year, following the acquisition of space software company ASI Aerospace LLC in October 2021, and spacecraft separation systems company Planetary Systems Corporation, which was completed in December 2021.

Rocket Lab will host a conference call for investors at 2:00 p.m. PST (5:00 p.m. EST) today to discuss the agreement. The live webcast and a replay of the webcast will be available on Rocket Lab's Investor Relations website: <https://investors.rocketlabusa.com/events-and-presentations/events>

Moreover, we operate in a very competitive and rapidly changing environment. New risks emerge from time to time. It is not possible for our management to predict all risks, nor can we assess the impact of all factors on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements we may make. Use of Prospective and Non-GAAP Financial Measures

This presentation contains certain prospective financial information and our expectations related to the financial impact of the SolAero acquisition. Such information is based on our current expectations, and actual results may be materially different from these expectations. See "Forward Looking Statements" above. To supplement our financial information presented on a basis consistent with GAAP, we disclose certain non-GAAP financial measures, including Adjusted EBITDA, non-GAAP gross margin, non-GAAP operating expenses, non-GAAP income from operations, non-GAAP research and development expenses, non-GAAP selling, general and administrative expense, non-GAAP interest and other income, and non-GAAP income (loss) from operations. These supplemental measures exclude the effects of: (i) stock-based compensation expense; (ii) amortization of purchased intangible assets; (iii) other non-recurring interest and other income (expenses), net attributable to acquisitions and (iv) non-cash income tax benefits and expenses. We also supplement our unaudited historical statements and forward-looking guidance with the measure of adjusted EBITDA, where adjustments to EBITDA include share based compensation, warrant expense related to customers and partners, foreign exchange gains or losses, and other non-recurring gains or losses. These non-GAAP measures are not in accordance with and do not serve as an alternative for GAAP. We believe that these non-GAAP measures have limitations in that they do not reflect all of the amounts associated with our GAAP results of operations. These non-GAAP measures should only be viewed in conjunction with corresponding GAAP measures. We compensate for the limitations of non-GAAP financial measures by relying upon GAAP results to gain a complete picture of our performance. Non-GAAP financial measures are not in accordance with and do not serve as an alternative for the presentation of our GAAP financial results. We provide this information to enable investors to perform more meaningful comparisons of our operating results in a manner similar to management's analysis of our business. We believe that these non-GAAP measures have limitations in that they do not reflect all of the amounts associated with our GAAP results of operations. These non-GAAP measures should only be viewed in conjunction with corresponding GAAP measures. We have not provided a reconciliation for forward-looking non-GAAP financial measures because, without unreasonable efforts, we are unable to predict with reasonable certainty the amount and timing of adjustments that are used to calculate these non-GAAP financial measures, particularly related to stock based compensation and its related tax effects.
